

Our theme for the first half of Spring 2019 is:

'Around the World'

English

- Retelling and writing stories.
- Learning to correctly use the suffix 'ed'.
- Learning stories from different cultures.
- Working on sounding words out properly, spotting digraphs and trigraphs.

Science

- Identifying and naming a range of animals.
- Learning about parts of the human body and naming senses.
- Identifying carnivores, herbivores and omnivores.

R.E.

- Understanding rituals in our lives.
- Learn about how Mahayana Buddhists celebrate New Year.

Computing

- Practising keyboard and mouse skills.
- Learning about coding and using this to control a program.

Maths

- Recapping our knowledge of 2D and 3D shapes, using mathematical language to talk about them.
- Describing positions, direction and movement- making $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{3}{4}$ turns.
- Using our number bond knowledge to support addition and subtraction.
- Learning about different types of measure such as money and telling the time.

Art

- Exploring Aboriginal Art.
- Experimenting with lines and shapes.
- Creating our own Artwork in the style of Aboriginal Art.

P.E.

- Develop our ball skills in games such as hockey and tennis.
- Develop skill of using equipment such as hockey sticks and rackets.

Geography

- Re-capping naming and locating the World's continents.
- Re-capping naming and locating the four countries and capital cities of the United Kingdom.
- Understanding our location within the World.
- Recognising the features of different locations.
