

Spring 1 Topic homework.

Please choose at least **3** pieces of topic homework to complete by Tuesday 26th February.

This should include English and Maths then one other (or more!).

This is an opportunity to share some time and experiences together with your child whilst developing your child's learning.

Don't forget you can present your home learning in any way that you would like: posters, booklets, drawings etc!

|--|--|--|
| <p style="text-align: center;"><u>English</u></p> <p>We would like you to find out about a wild animal. <i>Things you could find: habitat, food, movement.</i> Present your findings in any way that you wish- this could be a poster, leaflet, mini book or on a written page.</p>  | <p style="text-align: center;"><u>Science</u></p> <p>In Science, we will be learning about our senses. At home, try out your sense of hearing! Stand in an area of your house and listen to all the different sounds that you can hear. Can you all hear the same thing?</p>  | <p style="text-align: center;"><u>Art</u></p> <p>In school we are learning about Aboriginal art which dates back over 50,000 years. We would like to you find out about contemporary Australian artist Jessie Breakwell who likes to paint colourful animals.</p> <p>See if you can see the Aboriginal influence in her work and create one of your own.</p>  |
| <p style="text-align: center;"><u>Geography</u></p> <p>In Geography we are learning the seven continents on the World. Using Google Earth, have a look at a continent of your choice. What facts can you find out about that continent e.g. the weather patterns, animals and food that can be found there?</p>  | <p style="text-align: center;"><u>P.E</u></p> <p>In P.E we are developing our skills in hockey and tennis. At home, we would like you try to and improve your skills. Try a physical activity, such as skipping, hopping or even hop scotch! Why not challenge your family to see who can do the most hops or skips in 30 seconds?</p>  | <p style="text-align: center;"><u>Maths</u></p> <p>In Year One, we need to learn about money! At home, we would like to look at the different coins and talk about their value. You could then use the coins as part of a game. You could set up your own shop and sell different objects to your families. Make sure they give you the right change though!</p>  |
