

Can you help?

This half term Year One will be making their own parrot! To make this we will be using newspaper and paste. This is fun to do BUT can be tricky and very messy.

Would you be able to come into your child's class and help them (and others) to create their parrots?

Below are the dates which your class teacher would appreciate your help. If you are able to help please let your class teacher know so we know how many people to expect.

Kind regards,

Year One Team

P.S. Don't forget your pinny!
