

Our theme for the second half of Summer 2018 is:
'Lights, Camera, Action!'
We will be:

English

- Reading & spelling Common Exception Words.
- Writing our own 'Alice in Wonderland' inspired story.
- Creating scene and character descriptions.
- Continue to work on neat handwriting and begin to join some letters.

Maths

- Recognising and comparing numbers to 100.
- Learning about Multiplication and Division.
- Investigating volume and using this to solve problems.
- Learning about fractions related to shape and amount.

Science

- Planning and carrying out our own investigations, such as making parachutes.
- Using skills such as predicting, recording and explaining.

Computing

- Learning about Stop Frame Animation.
- Using a range of skills and technology to make our own group Stop Frame Animation movie.

R.E.

- Understanding special celebrations and festivals for different people.
- Making links between other peoples' experiences and our own.

Music

- Learning to play the glockenspiel.
- Explore famous composers and musicians from past and present.

DT

- Using new and previously learnt techniques to make a picture with a sliding mechanism.
- Evaluating our work and making changes or improvements.

History

- Learning about notable inventors or animators.
- Comparing illustrations and stories from past and present and seeing how they've changed.

Art

- Learning about Sculpture and notable Artists, such as Antony Gormley.
- Using different media such as plasticine and clay to build sculptures.
- Planning and making backgrounds for our Stop Frame Animation movies.
- Evaluating our work and thinking of ways to change or improve it.
