

## Summer 1

### Topic homework.

Please choose at least **3** pieces of topic homework to complete by Monday 4<sup>th</sup> June 2018.

This is an opportunity to share some time and experiences together with your child whilst developing your child's learning.

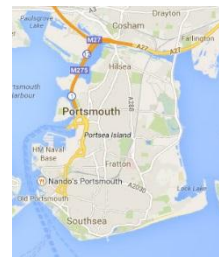

Don't forget you can present your home learning in any way that you would like: posters, booklets, drawings etc!

#### English

Make an information brochure about visiting Portsmouth. You can include things like famous landmarks, places to eat and any other interesting information.

#### Geography

Go for a walk! When you do this try to find interesting landmarks (such as Spinnaker Tower, Round Tower etc) and plot these on a map. This can be on a map you already have or you can draw your own.

#### Art

Find a famous artist who has included a parrot in their painting or drawing. Use what you have found to inspire your own piece of Art.

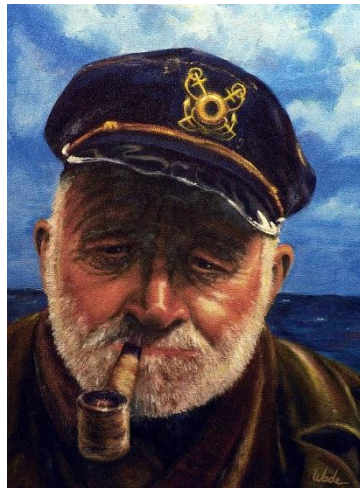

#### History

We recently visited HMS Victory on our school trip. There are other ships docked around Portsmouth, both new and old. Find out what you can and present what you find out as a poster.

#### Music

Find out and learn a traditional sea shanty. You could research this on the internet or maybe a family member can help you?

#### Maths

Can you come up with an exciting and inventive way of learning your 2 and 5 times tables? There are lots of ideas out there to help you and maybe you can teach the rest of the class?
