

## Roald Dahl Topic Homework ideas

Choose another Roald Dahl book that you would like to read. If you don't have any then you can get one from the library in North End or ask your teacher as we have lots of copies in school that you could borrow.  
Either try to read it yourself or ask an adult to read it to you as your bedtime story.

Draw a picture of your favourite Roald Dahl character and write a description of what they look like and how they behave.

Make some puppets of the characters in one of the stories. Act it out or use them to make up your own story about the same characters. Your puppets only need to be cut-out characters like the ones that we made in school to tell our Beast Quest stories with.

Go onto the Roald Dahl website and make some of the crafts there.

Make Mr Twit's Beard

Do a survey to see which Roald Dahl character is the most popular amongst your friends and family.

Complete it as a tally chart and you could even draw a bar chart to show your results.

Your IMPACT work this half term is to learn and practise your addition and subtraction skills. Ask your adult to ask you quick number bond questions for you to answer quickly, starting with those to 10 and then up to 20, e.g.  $5 + 4 =$   $6 + 3 =$   $12 + 5 =$  Then try some subtractions e.g.  $18 - 6 =$  It won't take long until you get quicker at it.

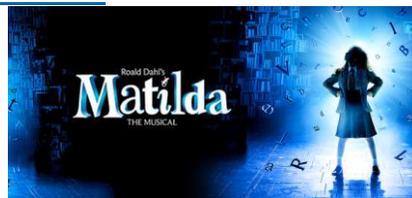

Following our Country Dancing in school, make up your own dance using some of the moves you were taught. Teach someone at home your dance and perform it together.

Listen to some of the excerpts from Matilda the Musical. Which songs do you like best? Why?
