

**Our theme for this half term is:**  
**The Wonderful World of Roald Dahl**  
We will be:

## English

- Improving our spelling and using it accurately when we are writing.
- Using a wide of vocabulary and conjunctions in our writing.
- Writing character descriptions.
- Writing a lost chapter for one of Roald Dahl's books.

## Maths

- Revisiting all four number operations.
- Solving a range of problems by choosing the correct strategy.
- Continue to apply our number bond knowledge.
- Explore the concepts of measurement, time and shape in practical ways.

## Science

- Learning about basic needs for survival for animals and humans.
- Exploring what a Healthy Lifestyle is by looking at diet, exercise and hygiene.

## Computing

- Using 2animate to create a short animation.
- Be able to use tools to create images.
- Save, retrieve and edit work.

## R.E.

- Learning about Mahayana New Year (Buddhism)
- Exploring other creation stories including Christianity and Islam.

## Music

- Learning how to play a tuned instrument (glockenspiels).
- Be able to play a short tune accurately as a class.
- Exploring pitch.

## Art

- Making a Modroc puppet based on a character from a Roald Dahl book.
- Adding facial features to our puppet.
- Using paint to colour mix our own colours

## P.E.

- Through Contemporary Dance
  - creating a sequence of movements.
  - learning how to control our body movements.
  - perform dances to a small audience.

## PSHE

- Understand the importance of Responsibility and Respect.
- Be aware of a range of feelings and how we might feel in different situations.
- Be aware of how our actions affect other people.
- Understand the principles of Restorative Practice.

## How you can support your child.

- Share Roald Dahl books at home, talking about the characters.
- Continue to read with your child, little and often, making time to talk about the events/information, characters, vocabulary chosen, etc. Encourage them to answer questions by looking back at the text and explaining how they know.
- Practise number bonds (numbers that make other numbers to 20/100) and counting forward and backwards in 2s, 3s, 5s and 10s.
