

# KEY PRIORITIES FOR SCHOOL IMPROVEMENT 2015 - 2018

## **Improvement 1**

To further improve standards in Mathematics, with a focus on developing fluency, reasoning & problem-solving.

## **Improvement 2**

To effectively implement a broad, balanced & rich curriculum with associated systems of assessment.

## **Improvement 3**

To develop teachers' skills & provision to promote excellence in pupils' all-round learning.

## **Improvement 4**

To enhance the school's work in helping parents to better support their children's learning & development.

## **Improvement 5**

To promote British Values & address the school's only action point from the previous successful Ofsted inspection (*Extend the pupils' knowledge and understanding of contrasting communities elsewhere in the UK and in Europe through building on the existing links with other schools*).

Improvement 1 above, focuses on raising standards in Maths. Improvement 2 on curriculum & assessment (learning) & 3 on teaching . Improvements 4 & 5 focus on aspects of 'Every Child Matters' & community cohesion .
