

Our theme for the second half of Spring 2017 is:
'Superheroes.'

We will be:

English

- Reading & spelling Common Exception Words.
- Looking at the features of superhero books and writing our own.
- Using correct punctuation in our writing.

Maths

- Learning about addition and subtraction, using a range of equipment to solve problems.
- Recognising and continuing a repeating pattern.
- Using our mathematical understand to problem solve.

Geography

- Learning the difference between human and physical features.
- Identifying and understanding different emotions within others.

Computing

- Learning to use a video camera successfully.
- Importing videos to a computer.
- Use video editing techniques.
- Develop collaboration skills.

R.E.

- Learning the Easter story and why it is important to Christians.
- Linking ideas to think about what is important in our lives.

Music

- Exploring tempo.
- Using boomwhackers.
- Working with a partner or a small group to compose.

Art

- Learning about the Artist Paul Klee.
- Designing and making artwork in the style of Paul Klee.
- Learning about Pop Art and looking at Artists such as Roy Lichtenstein.

P.E.

- Gymnastics skills -balancing on a variety of body parts.
- Travelling in different ways.
- 'Mirroring' the movements of a partner.

History

- Investigating Grace Darling's life and looking at the role of suffragettes in history.
- Learning about other heroes within our lifetime, including heroes from our community.

Science

- Learning about everyday materials, such as metal, plastic, clay and wood.
- Thinking about why certain materials are used for certain objects.
- Investigating the best materials to use to make something waterproof.
- Working in a team to predict, investigate, question and explain.
