

Spring 2

Topic homework.

Please choose at least one piece of topic homework to complete by Wednesday 23rd March 2018.

Please feel free to do as many as you like.

This is an opportunity to share some time and experiences together with your child whilst developing your child's learning. Don't forget to take photos and stick them in.

|---|---|---|
| <p style="text-align: center;"><u>English</u></p> <p>Visit your local library and take out another superhero book to read at home. What is the same or different compared to the ones we have read in school?</p>  | <p style="text-align: center;"><u>Religious Education</u></p> <p>On 30th March Christians around the world will be celebrating Easter. We would like you to research why Easter is important to Christians and what they do to celebrate it.</p>  | <p style="text-align: center;"><u>Art</u></p> <p>Year One will be learning about the artist Paul Klee. We would like you to visit Portsmouth Museum and take a look at all of the different works of art they have on display. Which is your favourite and why? Have a go at recreating your favourite painting.</p>  <p>(Portsmouth Museum is free and has lots of other exhibitions to look at!)</p> |
| <p style="text-align: center;"><u>History</u></p> <p>Year One are going to be learning about famous people who are considered heroes, such as Grace Darling. We would like you to find a historical place in Portsmouth and tell us why it is important! There are lots to choose from. You could even take pictures of you there!</p>  | <p style="text-align: center;"><u>Music</u></p>  <p>Listen to 'A Dark Knight' by Hans Zimmer. How does the music make you feel? Create a picture in your mind, like a scene from a film. What is happening whilst this music is playing in the background? You can draw what you see or write it down as a story!</p> | <p style="text-align: center;"><u>Maths</u></p> <p>Your IMPACT home learning this half term is all about number bonds! We are working hard to recall all of our number bonds from 1-10. You should practise these as often as possible and then try to get quicker at remembering them. Visit these sites for some fun number bond games:</p> <p>www.topmarks.co.uk/maths-games/hit-the-button.</p> <p>www.ictgames.com/save the whale v4.html</p> |
