

*Our theme for Autumn Term 2 is:
'TIME CHASERS'*

English

- Blend & segment sounds to spell & read simple words.
- Spell and read Common Exception Words.
- Write our own information texts.
- Form letters correctly.
- Edit and improve our writing.

Maths

- Read, write & order numbers up to 20.
- Form numbers correctly.
- Talk about our Maths in full sentences.
- Solve simple addition and subtraction problems.
- Recap coin recognition and use addition and subtraction when working with money.

Computing

- Improve mouse control.
- Design and make our own greetings card.

Science

- Learn about push and pull.
- Apply our knowledge of floating and sinking to solve problems.
- Aim objects using the correct angle and force.

Music

- Learning a variety of Christmas songs.
- Performing to an audience.
- Coping rhythms using different instruments.

R.E.

- Learn how we use candles for a variety of purposes.
- Find out about the ways Christians use candles during advent.

P.E.

- Gymnastics & Travelling.
- Pathways & Direction.

Art

- Mixing colours to create darker & lighter shades.
- Naming own colours created.

P.S.H.E.

- Dealing with feelings in a positive way.
- Learning about responsibilities.

History

- Learning about famous people: Guy Fawkes, Unknown Soldier, Edith Cavell.
- Recognising similarities and differences between different periods of time.

Please Remember!

Keep referring to the soundboards, looking for digraphs and trigraphs and use these when reading.
Please make sure all children have NAMED clothes and water bottles when in school.
