

Our theme for the first half of Summer 2017 is:

'Around the World'

English

- Retelling and writing stories.
- Learning to use prefixes and suffixes in the correct places.
- Learning stories from different cultures.
- Working on sounding words out properly, spotting digraphs and trigraphs.

Maths

- Counting in 10s.
- Addition and subtraction using numbers up to 40.
- Learning to tell the time to the hour and half hour.

Science

- Identifying and naming a range of animals.
- Learning about parts of the human body and naming senses.
- Identifying carnivores, herbivores and omnivores.

Art

- Exploring Aboriginal Art.
- Experimenting with lines and shapes.
- Creating our own Artwork in the style of Aboriginal Art.

R.E.

- Understanding rituals in our lives.
- Learning about rituals in Islam.

Music

- Singing songs collectively.
- Exploring timbre.

Computing

- Practising keyboard and mouse skills.
- Learning about coding and using this to control a program.

P.E.

- Exploring moving like an animal.
- Using our animal movements to create a dance, working well with a partner or small group.

Geography

- Re-capping naming and locating the World's continents.
- Re-capping naming and locating the four countries and capital cities of the United Kingdom.
- Understanding our location within the World.
- Recognising the features of different locations.
