

PE & Sport Premium

What is the Primary School PE & Sport Premium?

For the three school academic years 2013-2014, 2014-2015 and 2015-2016 the government has allocated extra funding to all primary schools to improve Physical Education (PE) and Sport so that they develop pupils' healthy lifestyles.

What should it be used for?

Schools may choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. Change4Life clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the 'School Games'
- run sports activities with other schools

How much have we received for 2015 - 2016?

In 2015-2016 College Park Infant School will receive £9,200 for the PE and Sport Premium.

How is our school planning to spend our funding in 2015-2016?

In total, pupils will benefit from this funding in the following ways:
